

A Word from the LORD on Covid-19

Received 21 March 2020

This is a word of guidance that I received from our Lord Jesus when praying for His leading on the Covid-19 pandemic. The Spirit has prompted me to share this on the website of The Joshua Mission for the Mission members and for all the faithful in Christ on earth.

A Word for the Faithful on earth

Our LORD have stricken the world with Covid-19, starting from Wuhan, China, now going out towards all nations of the earth, with varying degree of severity. The spread is like a wave pattern which radiates out from the point of impact so that even as the first point of impact may subside, other points, further out from the centre are rising. The earth is also like a container so that even as the waves radiate outwards, they hit a boundary, and rebound backwards towards where it had passed, right back to where it began. It may do this for a few rounds, until, like such a wave pattern, it either subsides, if the spread is reduced, or it may continue to pick up pace, if the spread is worsened.

Together with this sickness, the economy of this world and the nations are seriously disrupted. It is spurred by human fears and panic, beyond its actual physiological and medical effects. The interconnections of the world is now working against it.

He is using this sickness to purge His Church and to judge the world:

For the Church, it is time for us to seriously seek Christ in collective and self review of our walk, service & witness. If we do this right with Him, it is a spiritual purification process of the Holy Spirit to cleanse us through repentance and strengthen us through the growth of faith and communion with the Father. It is a penalisation process for the unrepentant who will be purged from the faithful to belong with the world.

For the world, it is the beginning of the tribulations of God's judgement against sin, and His still continuing search for those who would repent and turn back to Him to receive Christ as their Lord and their God. It is indeed one further step towards Christ's Return in God's global plan of salvation and judgement of all humankind. It is one further step towards the end of this heaven and this earth, to be replaced by Christ with the New Heaven and New Earth.

In this time, for the faithful, it is a time to abide with our Lord and our God in communion by prayer, by faith, and by obedience. We need to seek Him in earnest to hear from Him His guidance and instructions, whether collectively or personally, at every level - from the entire Body of the faithful now on earth, to each church in each nation, to each denomination or group of churches, to each parish, to each congregation, to each fellowship, to each cell, to each family of faithfuls, to each person. At each level, every leader needs to seek the Lord, personally & collectively, for the group that they lead. Every Christian, as a person, and as a member of the Body of Christ, needs to seek Him for His guidance & enabling for each of us. His Lordship is our unity, and our cooperation, and our coordination, as His People now on earth. It also means that we must not stop, but persist and grow, in our walk, our ministry and our witness. This needs to be true of our communal life as the Body of Christ, in our personal lives as His disciples, and of our relationship and interaction with, and our testimony to, the world, which is our witness in Christ.

May the Lord so lead and enable us as His faithful to do His bidding, according to this word of guidance. HALLELUJAH! AMEN!
