Praise God! We take this opportunity to share our updates for the last 6 months. We thank God for the slight growth in the ministry network despite a few challenges we faced as a country. We had lots of floods, drought and political instability that somehow affected our monthly gatherings and meetings. Despite all that, our members remained intact and reached out to their neighbours, that enabled us to see some new members joining. We finally divided our bigger 3 local groups into 5 and will probably consider dividing them further into cell groups for easy management and to promote cohesiveness among the team members.

We look forward to introducing our members to the podcast teachings you are sharing as we continue with our monthly fellowship. I am planning for a visit to another region (Western part of Kenya) to see if we can meet with some pastors and leaders to start another local group there. Keep praying for us.

Praying for you and all country leaders attending the Uganda mission for a Holy Spirit filled session and revivals!
