Comment:

This year 2024 has been significant to the growth of the group as I am able to visit more groups and to minister directly to the groups. The visitation and ministry to the groups help to revive the groups that have been inactive since the pandemic. Furthermore, we are bringing in new members into the group while also working on the cohesiveness within the group. The Bible teaching and seminars are also bringing the leaders of the local churches to join the group as well.

The challenge we are facing in Indonesia is the rising cost of travelling as it has become too expensive to visit the different islands by air transport.
