Comments:

We need prayers for our country : pray for peace for our nation, especially my city GOMA. We are experiencing a bad situation of war; from January to February, thousands of people died in the war here. We could not meet as people were all scattered in different places. However, now we can start gathering and I organized a crusade beginning this month so we can share a message of Hope and Comfort for our people.

We praise God that we have not lost many of our members but we are sad as we have more orphans and widows joining our ministry. We need TJM Singapore to do something to help them like food, clothes, shoes and places for them to sleep as some are sleeping in our churches which is very challenging. Please pray for us and support us.

We also have language problems and most people could not follow our online programs as they do not understand English. However, we would like to have another LIVE BROADCAST as it will help gather all our people together with a translator, so as to give them a message of Hope & Comfort.

Thank you so much!
