Comment:

2025 has been full of God's Grace and blessings as we are seeing members and ministries showing interest to join TJM (The Joshua Mission) network in Kenya, including one referred by Dr. Rev Joshua himself.

The Number of Group Members increased despite 3 old members who had left due to relocation to other parts of the country and thus could no longer continue with us.

We also appreciate the financial support we received from the TJM network that helped us to facilitate our fellowship by using some of it to buy tea for members during fellowship.

There were, however, lots of demonstrations across the country between June and July that affected some of our meetings. We request for prayers for peace upon the young generation in Kenya.
