Comments:

Thank God for the great work; we had many numbers joining us in 2025. Some are still under training to understand the purpose, mission and vision of The Joshua Mission before being confirmed.

We have extended to many other locations in the country now, though some other locations are not so active at the moment. But we are continuously working on making things better.

We had our first crusade and conference with the churches from different denominations (for the 1st time) and it was great (see photos attached above)!

Currently, we are working on creating some zones in 2026, and also working on our registration as a Faith-based organization which will soon be approved.

One of our members, Pastor Wamuyale, who is also a strong committee member for Evangelism, is now bedridden as he has been suffering from leukemia for 7 months now.

Thank you for your prayers.
